ACCOUNTS OFFICER
(COMMUNITY PROJECTS)
15 JAN 1953
PUBLIC (C. P.) DEPARTMENT.
MADRAS

COMMUNITY PROJECTS - South Kanara - Communications - Construction of a foot-bridge at Kolya in Kotekar village - Estimate - Sanction - Requested.

....

I submit herewith an estimate in duplicate with the necessary site plan etc. for the construction of a foot-bridge across a stream at Kolya in Kotekar village. The foot path passing through this site is about 2 furlongs from the railway line and many people will have to cross this stream for going to the railway station, school and factories in Ullal. Daily over 200 persons pass through this way and during monsoons, when the stream is unfordable people have to take a circuitous route. A foot-bridge at this place is therefore quite essential. The work has been approved by the firka committee and the Project Advisory Committee.

2. The estimate is for Rs. 1,640/- The Panchayat Board, Ullal in whose jurisdiction the village lies has promised to contribute 50% of the cost of construction of the foot-bridge on behalf of the villagers. As the people residing the locality are all poor, it is not possible to obtain any cash contribution from them. The remaining 50% has therefore to be borne by the community project. As the work is an useful one, I request that it may be sanctioned urgently on the above conditions.

PROJECT EXECUTIVE OFFICER.

9/1/53

Report to accompany the estimate for Constructing a foot bridge at Kolya in Kokkad Village

This estimate provides for the Construction of a foot bridge at Kolya across which passes the path-field for foot passengers between Ussore & Kokkad Village. Ussore is about two furlongs from the railway line and many people will have to cross the stream to go to Railway station & return and during monsoon when the stream gets flooded people will have to take a round about route. Hence it is essential to have a foot-bridge at this place

The proposal is to provide a foot-bridge of 2 spans of 11-6" clear span with wooden decking and handrails on two longitudinal beams. The bridge will consist of abutments at both ends & two intermediate piers. The abutments & pier foundations will be taken down to a depth of 3'0 below ground level in Cement concrete 1:4. The foundation is taken to a depth of 4'0 below ground level in Cement concrete 1:6:8, 1'0 thick. The pier is taken to a depth of 4'0 below ground level in concrete 1:6:8, 1'0 thick which depth will be deemed if good stone is met with.

No masonry for arches is also made for, in the estimate & only for piers & abutments

30/10/52.

Examined
6/1/53.

Foot bridge at Kolya in Kokkar Village

Design of deck slab:

Clear span 3.6

Dead load $3.6 \times 10 \times \frac{1}{6} \times 50$ — 29 lb

Extra for kerb & handrail — 6 lb

35

Live load at 50 lb/sq ft : $3.6 \times 1 \times 80$: 280

315 or 320 lb

Stiffness formula. $w = 150\, bd^3/L^2$. Let $b = 12"$

$d^3 = \frac{320 \times 3\frac{1}{2} \times 3\frac{1}{2}}{150 \times 12}$ $= 2.18$. $d = 1.296"$

Hence keeping 2" provision as guide sufficient

2) Beams.

Dead load of kerbs $\frac{50}{2}$ cft $\times$ 50 lb — 1250

Live load : $11.6 \times 3.9 \times 80$ lb — 3450

4700

Hence load acting on one beam : 2350 lb

Stiffness formula : $w = 150\, bd^3/L^2$ Let $b = 6"$

$d^3 = \frac{2350 \times 11\frac{1}{2} \times 11\frac{1}{2}}{150 \times 6}$ $= 345$

$d = 7.01"$

Hence a section of 6" × 9" provided as guide sufficient

3) Piers.

Dead load of span as above — 1250 lb

Live load : $13.6 \times 3.9 \times 80$ lb — 4050

Wt of pier : $8 \times 2 \times 3.6 \times 140$ — 16800

Footing : $3 \times 8.6 \times 1.0 \times 140$ — 3570

" $4 \times 9.6 \times 1.0 \times 140$ — 5320

Cement $6 \times 11.6 \times 1.0 \times 140$ — 9660

40650

Area of distribution (bearing area) $= 11.6 \times 6 = 69$ sq in.

4. Hence for 8 hours $\frac{40650}{69} = 589$ lbs or 0.26 tons against 2.0 to 3.0 tons for sawing stone as between

Lead Statements

1) Granite - 1½ M.M.R on 3F Head load (from Sankeshwar quarry -)
2. Saw - 1½ M.M.R on 3F low level for Sankeshwar.
3. Cement - 6 M.M.R on 3F Head load (from Mangalore)
4. Timber - 6 M.M.R on 3F low level (" Do ")

Certified that the loads shown above are correct to the best of my knowledge

28.12.52

Abstract: COMMUNITY PROJECTS - South Kanara Area - Communications - Estimate for construction of a foot-bridge at ~~Koyla~~ Koylya in ~~Someshwara~~ Kotekar Village - Sanction accorded.

Read: From the P.E.O., Mangalore, R.c.No.85/53-B, dated 8-1-1953.

ORDER:-

Sanction is accorded to an expenditure not exceeding Rs.815/- (Rupees Eight hundred and fifteen only) being half the estimated cost for constructing a foot-bridge across the stream at Koyla in Someshwara Village, Mangalore Taluk. The other half of the estimated cost should be contributed by the beneficiaries. The P.E.O., Mangalore should get the work executed according to the plan and estimate sanctioned and send the completion report in due course.

2. The expenditure will be debited to "63.B. Community Development Projects - II. Community Projects - Communications - ~~5. Other charges~~". (Bridges)

3. The estimate for Rs.1630/- for ~~counter~~ constructin the foot-bridge is returned herewith duly sanctioned together with the plans and sketches in original.

Sir,

COMMUNITY PROJECTS--South Kanara--Communications--Construction of a foot bridge at Kolre--Cancellation of the sanctioned work--Report submitted.

Ref: 1.G.O.Ms.No.294 Public (C.P.) Dept. dated 4-2-58.
2.Govt.Memo No.21868 Rural (C. Audit) 58/1 dated [illegible]
3.This office Ref.C.No.25/58-P dated 12-12-58.

In G.O. No. cited first above, sanction was accorded to an expenditure not exceeding Rs. (815/-) eight hundred and fifteen only being half the estimated cost of constructing a foot bridge across the stream at Kolre in Kotekar village (Uliel Panchayat area) Mangalore Taluk. It was also agreed that the other half of the estimated cost, will be contributed by the beneficiaries (Panchayat Board, Uliel).

Since then, the Panchayat Board, Uliel is reported to have resolved to cancel its commitment (to contribute 50% of the estimated cost of the above work) as it has various other more important works to be taken up. It has undertaken to contribute Rs.52/- for another foot bridge and substantial amounts for a well, community hall etc. There is no prospect of villagers coming forward with any contribution for the foot bridge work given up by the Panchayat Board. This item of work sanctioned in G.O.Ms.No.294 Public (C.P.) Dept. dated 4-2-58, may therefore be ordered to be cancelled.

Yours faithfully,

22/6

Project Executive Officer.

FROM

SRI J. SIVANANDAM, I.A.S.,
Inspector of Ml.Cls and Local Boards, Madras.1.

TO

The Secretary to Government,
Agriculture Department, Madras.

Sir,

R.Q.C. No. 22104/54 F7 dated 9-6-54

SUB: Contribution - Ullal panchayat - South Kanara District Rs.815/- and Rs.525/- towards the construction of foot bridges at Kolya and Kotekar under the community project

REF: Government memo No. 31362 (D.VIII) 53-3 dated 15-5-54

--

The proposals received from the Ullal panchayat (South Kanara District) in respect of payment of contribution towards the execution of the work referred to above were incomplete. Hence the papers were sent to the District Panchayat Officer South Kanara for retransmission with the required particulars. He is being reminded today. Further action will be taken on the proposals as soon as they are received in this office.

C No 86100/54

Sub:- Cpts. South Kanara Area- Communications- Construction of a foot bridge at Kolya in Kotekar Village - Withdrawal of sanction

Ref- From the PEO. Mangalore Rc. C No 85/53-B dated 18-6-54

Please see the letter from the PEO. Mangalore at p/cf The reference is with regard to the Construction of a foot bridge at Kolya in Kotekar Village, sanctioned in GOMs. 294 Pub (CP) dated 4-2-53. at a half Contribution basis. The work has not been taken up so far, as the Panchayat Board of Ullal did not receive necessary sanction to incur their share of the expenditure. The PEO now says that the Panchayat Board is reported to have since resolved to cancel its Commitment for contributing towards this work as it has more important works to be taken up. The PEO has also reported in his letter dated Rc. C No 85/53-B dated 12-12-53 that the Panchayat Board has executed an agreement to execute the work at half Contribution basis.

As the panchayat board has reportedly resolved to cancel its Commitment, the PEO proposes the withdrawal of sanction already accorded in the GO. at ©.

Subject to orders, a draft memo for the withdrawal of sanction already sanctioned, is put up for approval
